

## Resetting you PIN#

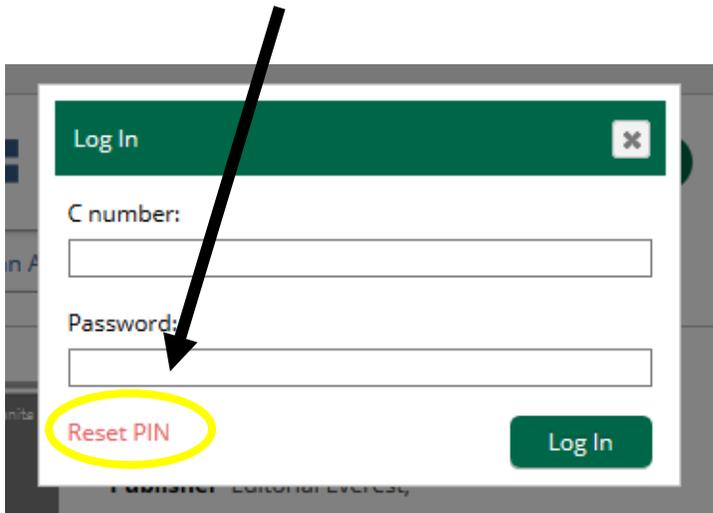

- 1) Select **IvyCat** located under the Discover search box on the library's home page.

- 2) Select the **login** link at the top of the webpage.

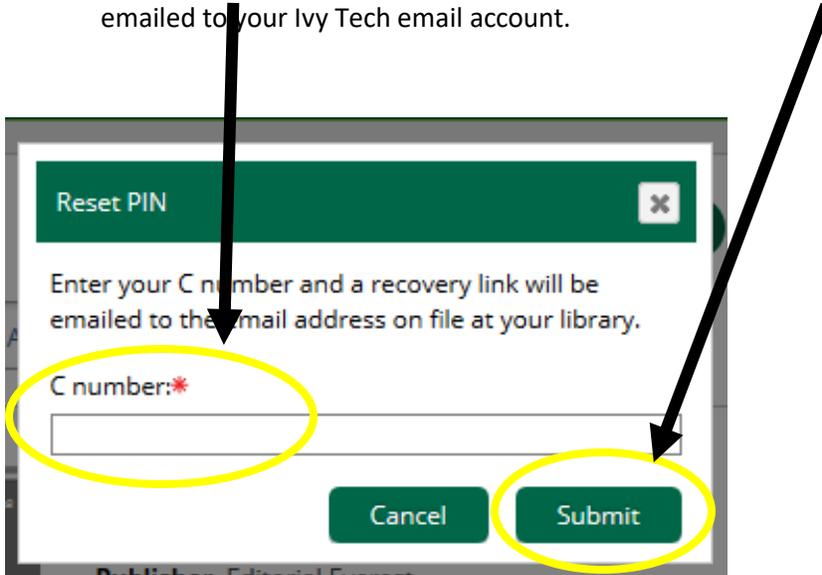

3) Select the **Reset PIN** link in the dialog box.

A screenshot of a 'Log In' dialog box. The dialog has a dark green header with the text 'Log In' and a close button (X). Below the header are two input fields: 'C number:' and 'Password:'. At the bottom left, the text 'Reset PIN' is highlighted with a yellow oval. At the bottom right, there is a green button labeled 'Log In'. A black arrow points from the top left towards the 'Reset PIN' link.

4) **Enter your C#** in the dialog search box and select the **submit button** and a recovery link will be emailed to your Ivy Tech email account.

A screenshot of a 'Reset PIN' dialog box. The dialog has a dark green header with the text 'Reset PIN' and a close button (X). Below the header is a message: 'Enter your C number and a recovery link will be emailed to the email address on file at your library.' Below the message is an input field labeled 'C number:'. At the bottom, there are two buttons: 'Cancel' and 'Submit'. The 'C number:' label and the 'Submit' button are both highlighted with yellow ovals. A black arrow points from the top left towards the 'C number:' label, and another black arrow points from the top right towards the 'Submit' button.
